Jim,

The techs should be labeling jacks today and adding two additional phone jacks tomorrow.

Except that the jacks were removed in 247 and 251 and I do not know the numbers.

Jim,

In speaking with Graeme today he mentioned OIT needs a telephone move request from you...being the TUG rep. He made it sound like all you need to do is request phone number X be moved from jack Y to jack Z. Is it that simple? Please let me know if there is anything I need to do. The technicians were to label the jacks today. I will be coming by around 2:30 to put temporary room numbers up.

Thanks,

Stephen
